261—44.7(99E) Funding. The department will execute a contract with the grantee for the provision of grant funds to undertake the work plan and budget submitted in accordance with 44.5(99E). The funding of an application under these rules is contingent upon the availability of funds appropriated for this purpose.

The department will allocate grant funds on a quarterly basis subject to the receipt of a quarterly requisition for payment from each grantee. The amount to be allocated each quarter is dependent upon the budget and work plan as outlined in 44.5(99E).

261—44.8(99E) Financial management standards. All contracts executed under these rules are subject to audit. The grantee shall be responsible for the procurement of audit services and for payment of audit costs. Audits may be performed by the state auditor's office or by a qualified independent auditor. The grantee shall comply with the Single Audit Act of 1984, P.L. 98-502, or with other applicable laws and regulations, as appropriate, in preparing the audit. Copies of the audit report shall be transmitted to the department within 30 days of its completion.

261—44.9(99E) Record keeping and retention. Financial records, supporting documents, statistical records, and all other records pertinent to the grant shall be retained by the recipient for three years beyond the submission of the final invoice, or longer if any litigation or audit is begun or if a claim is initiated involving the grant covered by the records. In these instances, the records shall be retained until the litigation, audit or claim has been resolved.

Representatives of the department and the state auditor's office shall have access to all books, accounts, documents, records, and other property belonging to or in use by the recipient pertaining to the receipt of assistance under these rules.

261—44.10(99E) Progress reports. Each grantee shall submit quarterly progress reports which outline its progress in the activities outlined by its application work plan. The progress report is due 30 days following the end of each calendar quarter.

261—44.11(99E) Noncompliance. If the department finds that the grantee is not in compliance with the requirements of these rules or grant agreement, the grantee may be required to refund to the state all disallowed costs. Reasons for a finding of noncompliance include, but are not limited to, a finding that the grant funds were used for unauthorized activities, the grantee has failed to complete approved activities in a timely manner, the grantee has failed to comply with applicable laws and regulations of the grant agreement, or the grantee lacks the capacity to carry out the purposes of the program.

261—44.12(99E) Grant closeouts. Upon completion of the time period covered by the grant agreement, the department shall initiate grant closeout.
